Start Here

Insert the Radio Dock Adapter into the Dock

1. Insert the Radio Dock Adapter into the Dock until it clicks into place.
2. Connect Vehicle Dock using the 4 provided screws. If you plan to use the wire guide channel across the back of the Dock, route the wires which connect to the dock. Power Adapter (not included) required.
3. Power Adapter also required.

Find a Location for the Vehicle Dock and Mount It

4. Choose a location for the Vehicle Dock that is compatible with your Radio. Choose the location for the antenna according to your type of vehicle. Center it between the front wheels.
5. Slide Left Clamp to Left
6. Center Hole
7. Repeat to Replace
8. Slide Clamp to Right
9. Push until hooked on the rear of the vent louver. Rest the foot against the bottom of the vent. Push until hooked on the rear of the vent louver.

Mount the Magnetic Mount Antenna

10. Mount the Magnetic Mount Antenna outside your vehicle, on a clean and dry horizontal surface that will always face the sky.

Route the Antenna Cable

11. Route the cable out of the molding and into the rubber weather stripping around the door opening. Replace the weather stripping.
12. Route the excess cable in a hidden location and keep it away from any vehicle pedals or controls.

Connect the PowerConnect Power Adapter

13. Connect the PowerConnect Power Adapter into your vehicle’s 12 volt power adapter or cigarette lighter socket. Plug the Power Adapter into the Vehicle Dock.
14. Place your Radio into the dock and press the Play button.
Verify Signal Reception

- Verify the signal receiver by tuning to an antenna signal strength on the screen of your SiriusXM Radio. If there is no signal, refer to the Troubleshooting section for information on how to improve it. If you are satisfied with the signal, you are ready to connect your audio.
- If you are using the SiriusXM PowerConnect Power Adapter, refer to the User Guide to confirm your Radio is connected to the SiriusXM PowerConnect Power Adapter. If not, refer to the Troubleshooting section for information on how to improve it. If you are satisfied with the power, you are ready to connect your audio.

Connect the Audio

- If you are using the SiriusXM PowerConnect Power Adapter, refer to the User Guide to confirm your Radio is connected to the SiriusXM PowerConnect Power Adapter. If not, refer to the Troubleshooting section for information on how to improve it. If you are satisfied with the power, you are ready to connect your audio.
- If you are using the SiriusXM PowerConnect Power Adapter, refer to the User Guide to confirm your Radio is connected to the SiriusXM PowerConnect Power Adapter.
